

Your Donations to American University of Prague Prague Humanities Institute

Hello! and Greetings!

Do you like the type of Academic Programs that PHI offers the public?

If you like the type programs or the “interdisciplinary” style of courses which “Prague Humanities Institute” offers its public in the exciting fields of :1) Phenomenology and Existential Philosophy, 2) Existential Psychology and Psychiatry; 3) C. G. Jung Studies; 4) East-West Studies; 5) British-American Literature Studies; and 6) Advanced Religious Studies and Existential Theology, then, why not help contribute your “tax free” dollars to PHI as a worthy educational cause? That is to say, why not give your “heart-felt” financial support to PHI as a private citizen, a corporation, or, as a business (from anywhere in the world) so that PHI may continue to offer these above exciting “interdisciplinary” study programs to all students in the future through your private contributions. PHI depends upon you for the support for its mission.

We welcome your financial contribution today and thank you for giving your private donation(s) this year to the Prague Humanities Institute!

Thank you!

Sincerely,

Dr. Robert
